

BETHLEHEM'S GIFT is the primary special annual fundraiser for the ACJC Home Missions Department. When the wise men came to see the child Jesus, they brought with them three gifts: gold, frankincense, and myrrh. Our goals for Bethlehem's Gift in 2022 align with these gifts. We are asking every Licensed Minister and Church to participate in three ways:

GOLD: A Special Offering - \$2,500 Goal

Send a special offering, beyond your regular support for Good Standing, to help reach our goal of \$2,500 before December 31, 2022.

FRANKINCENSE: A Dedicated Time of Focused Prayer

Dedicate a special time of prayer for yourself and your church focused toward home missionaries, unreached and underserved communities, evangelism, etc. and share your prayer focus with others

MYRRH: A Service Project

Even as myrrh foreshadowed the service of Christ on the cross, make a sacrificial effort to serve. Make a call or send a card of encouragement to a home missionary or evangelist. Have a special outreach project in a nearby community. Help a neighboring church with a special project. And remember to share your service project as an encouragement to others.
