From Bishop Zaragoza

Last June 11 and 12, we had our first Men's Conference that took place in Mapita, Daang Katutubo. The numbers of men's/ fathers from the different churches of ACJCII in Luzon is over 100+. At the end of the day, gladness, gratefulness, and happiness was presented on their faces as they go back home. It was indeed pleasant to see that the men's department was united – by the purpose of learning, worshipping and having fun in the presence of the Lord.

Last July 1st, we had our Junior 12 – Kidz Training Seminar that took place in Apostolic Revival Kingdom of Jesus Christ in Matagdem. The seminar lessons are consist of encourages, corrects and advices that the teachers can use as they teacher the Kids. The numbers of J-12 teachers from the different churches of ACJCII in Luzon is over 60+. It was indeed pleasant to see that the teachers were united – by the purpose of learning new things, being creative, worshipping God and having fun as the Lord is the center of everything we/they do.
