

# ACJC PHILIPPINES MISSIONS REPORT February-April 2023

From Bishop Zaragoza:

At the month of February at the day of 25, all the youths come from every church in Pangasinan are united as one in this event – Apostolic Youth Interfellowship in Urbiztondo Sports Complex. The numbers of youths are numerous, wherein other churches are seated in bleachers. And we would like to thank the Lord who gives us an opportunity to share the word and praise Him!

Of course, the Men's Fellowship is not backing down, last March at the day of 18, they have their very first Men's Interfellowship in the Apostolic Revival Kingdom of Jesus Christ (ARKofJC). We are blessed to see our fathers praising God and listening to His word. Truly in God there is nothing impossible.

Last April 6 to 9, we had our very first Apostolic Youth Camp in Narciso Complex which located in Lingayen. The numbers of young people from the different churches of ACJCII in Luzon is over 850+ youths. And by the end of the camp, majority of the youths wants to experience the thrill and joy again by the end of the year 2023.

#### UPCOMING EVENT!

Of course, the *ilaw ng tahanan* (mothers), will not lose in fellowship. Next month, May 1-2, Ladies Conference will take place in Baguio – lesson, worship, fellowship, team building and relaxing is one of the things that they will experience.
